TERMS AND CONDITIONS

ELIGIBILITY: Rebates are available to all existing The Connecticut Light & Power Company doing business as Eversource Energy (Eversource) or United Illuminating (UI) residential electric service customers ("Customer") who purchase and install an eligible high efficiency heating and/or cooling system ("System") on or after January 1, 2019 through December 31, 2019. System must be installed in the service territory of the Participating Utility and by a licensed contractor. Eligible Systems are: **electric central air conditioning and air source heat pump systems of MATCHED ASSEMBLY in which both the condenser unit and the evaporator coil are installed simultaneously.** A matched assembly is a model combination that is listed in the AHRI Directory of Directory of Certified Product Performance. A matched assembly shall also include the air handler; furnace; or other component that is used to determine the rating according to ANSI/AHRI STANDARD 210/240-2008 found at www.ahridirectory.org.

APPLICATION OFFER: The 2019 Residential ENERGY STAR Heating and Cooling System Rebate program ("Program") covers eligible Systems purchased and installed on or after January 1, 2019 through December 31, 2019. Details of this Program, including rebate levels, are subject to change or cancellation without prior notice. **This 2019 Residential ENERGY STAR Heating and Cooling System Rebate Form ("Application") with required documentation must be postmarked by January 31, 2020. Funding for this Program is limited to the period indicated or while funds last.** For more information, please call 877-WISE-USE (877-947-3873).

PROOF OF PURCHASE: A contractor's invoice listing the date of purchase, condenser, coil and fan model numbers, the purchased system type and make, the AHRI¹ certificate number (a published manufacturer's certificate indicating the installed assembly was tested under AHRI test conditions and includes the SEER², EER³ and HSPF⁴ ratings is acceptable in lieu of the AHRI certificate) verifying System as a matched assembly, and your recent electric utility bill must accompany each rebate Application.

APPLICATION: This Application must be filled out completely, truthfully and accurately. The Customer and contractor must each sign the completed Application and it must be submitted along with the **PROOF OF PURCHASE** requirements listed above. Total incentive payment cannot exceed 50% of the total installation cost of the equipment.

PAYMENT: Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Application. **Please Call EFI at 1-877-364-4217 if you have any questions about your rebates.**

APPROVAL AND VERIFICATION: Eversource and UI reserve the right to verify sales transaction and to have reasonable access to your residence to inspect the System installed under this Program prior to issuing rebates for up to one year after date of Application. Neither Eversource nor UI make any warranties or representations of any kind, whether statutory, expressed, or implied for the performance or installation of the equipment as a result of the approval and verification process. These rebates may not be combined with any other utility or energy service offer including but not limited to midstream contractor point-of-sale promotions. The Customer also grants Eversource and UI the right to confidentially share account number information internally for rebate processing procedures.

TAX LIABILITY: Eversource and UI will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of rebates.

ENDORSEMENT: Eversource and UI do not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this Program.

LIMITATION OF LIABILITY: Eversource and UI's liability is limited to paying the rebates specified. Eversource and UI are not liable for any damages arising out of or resulting from participation in this rebate offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program.

Applicant understands that all funding for rebates under this program derives from the Energy Efficiency Fund which is managed, in part, by Eversource, UI, and funding, in part, by their customers. Neither Eversource nor UI guarantee the availability of funding for the program and neither is responsible for any costs or damages incurred by applicant if funding for this program or the Energy Efficiency Fund is reduced or eliminated by the State of Connecticut, the Public Utilities Regulatory Authority, Department of Energy and Environmental Protection or other State of Connecticut action. Funding is subject to change at any time without notice.

OWNER'S CERTIFICATION: Owner certifies that he/she has purchased the system listed on the other side of this Application and the System was installed by a licensed contractor at the defined location. Owner agrees that all information is true and that he/she has conformed to all Program and System requirements listed.

WARRANTIES: EVERSOURCE AND UI DO NOT WARRANT THE PERFORMANCE OF INSTALLED SYSTEM, EXPRESSLY OR IMPLICITLY. Eversource and UI make no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the System or services provided by a manufacturer, contractor or vendor. Contact your retailer, manufacturer, vendor or contractor for details regarding System performance and warranties. The Utilities do not warranty the performance of the energy efficiency measures, and do not guarantee that the listed measures will result in energy and/or cost savings.

FORWARD CAPACITY MARKET AND CLASS III CREDITS:

ISO-NE CAPACITY PAYMENTS: By signing this document, and as a condition to receiving a rebate pursuant to this program, the customer acknowledges and agrees that any and all payments, benefits and/or credits associated with or applicable to the customer's participation in the program that is the subject of this Agreement in connection with the ISO New England, Inc. Forward Capacity Market ("FCM") or any existing, successor or replacement markets, (including, but not limited to, any and all transitional FCM credits or payments or any and all other capacity-related credits, payments and/or benefits for which such customer is eligible) shall be deemed as and form capacity payments, credits and/or benefits of The Connecticut Light and Power Company, doing business as Eversource Energy (Eversource), or The United Illuminating Company (UI), as applicable. The customer hereby assigns to Eversource or UI, as applicable, all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits, and agrees to take any and all action, including executing and delivering any and all documentation and/or instruments, as requested by Eversource or UI, as applicable, to evidence the same. FCM means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the FCM, or any successor or replacement market/capacity procurement process.

CLASS III CONSERVATION CREDITS: Any Class III renewable energy credits and/or conservation credits received in connection with this program shall be retained by the Companies pursuant to the laws of the State of Connecticut and/or applicable PURA decision in effect as of the date hereof.

Minimum Efficiency Levels / Rebate Schedules

Eligible Systems	Minimum Efficiency For Rebate	Rebate Per System
AHRI Rated Central Air Conditioning Split System	16 SEER / 12.5 EER ENERGY STAR and AHRI Certified	\$200
AHRI Rated Ducted Air Source Heat Pump Split System	16 SEER / 12.5 EER / 10 HSPF ENERGY STAR and AHRI Certified	\$500

¹ AHRI – Air Conditioning, Heating and Refrigeration Institute. All equipment must be rated in the AHRI Air Conditioners and Air Conditioner Coils or Heat Pumps and Heat Pump Coils directories. Both can be found online at www.ahridirectory.org.

² SEER – Seasonal Energy Efficiency Ratio

³ EER – Energy Efficiency Ratio

⁴ HSPF – Heating and Seasonal Performance Factor

Energize Connecticut – programs funded by a charge on customer energy bills.
