**ELIGIBILITY:** Customers with electrically, natural gas, oil or propane heated homes may be eligible for a rebate towards the purchase of the following qualifying measure(s): ENERGY STAR Triple Pane Replacement Windows. Eligible measure(s) must be purchased **between January 1, 2021 and December 31, 2021. All rebate requests must be postmarked no later than March 31, 2022.** Limit: One rebate per Connecticut residential Eversource or UI (Companies) electric and/or natural gas account. Qualifying measure(s) must be installed in Connecticut within the Eversource or UI service areas. For more information, call 877-WISE USE (877-947-3873). Only the Companies' customers are eligible for these rebates. **THIS REBATE MAY NOT BE COMBINED WITH ANY OTHER UTILITY REBATE.** This rebate may be subject to change without prior notice. The Companies and energy efficiency providers reserve the right to conduct field inspections to verify measure installations.

**PROOF OF PURCHASE:** An invoice itemizing the purchased measure(s) must accompany each Application for TRIPLE PANE WINDOW(s). Sales receipt/invoice must indicate the manufacturer, make and model numbers, the date of purchase, as well as a copy of the NFRC label from each window.

**APPLICATION:** To receive your rebate, Application(s) must be filled out completely, truthfully and accurately. The customer (Customer), and contractor (if applicable) must each sign the Application(s). The Customer must submit the completed Application(s) along with the above proof of purchase requirements for each applicable triple pane window and a copy of his/her recent electric and/or natural gas bill.

**PAYMENT:** Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Application. Please contact Energy Federation, Inc. (EFI) at 1-877-364-4217 to inquire about the status of your Application.

**APPROVAL AND VERIFICATION:** The Companies reserve the right to verify sales transaction and to have reasonable access to your residence to inspect the system installed under this program, prior to issuing rebates, for up to one year after date of Application. These incentives may not be combined with any other utility or energy service offer including but not limited to midstream contractor point-of-sale promotions. The Customer also grants the Companies the right to confidentially share account number information internally for rebate processing procedures only. Customer also grants the Companies the right to confidentially share account number information for rebate processing procedures only.

**TAX LIABILITY:** The Companies will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of the rebate incentive.

**ENDORSEMENT:** The Companies do not endorse any particular retailer, manufacturer, vendor, contractor, product or system design in promoting this Program.

**LIMITATION OF LIABILITY:** Applicant understands that all funding for rebates under this program derives from the Energy Efficiency Fund which is managed, in part, by Participating Utilities and funded, in part, by their customers. Neither Participating Utility guarantees the availability of funding for this program and neither is responsible for any costs or damages incurred by applicant if funding for this program or the Energy Efficiency Fund is reduced or eliminated by the State of Connecticut, the Public Utilities Regulatory Authority, Department of Energy and Environmental Protection or other State of Connecticut action.

**WARRANTIES:** EVERSOURCE AND UI DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. Eversource and UI make no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the System(s) or services provided by a manufacturer, contractor or vendor. Contact your contractor for details regarding System performance and warranties. The Utilities do not warranty the performance of the energy efficiency measures listed on this Rebate Application, and do not guarantee that the listed measures will result in energy and/or cost savings.

**CUSTOMER'S CERTIFICATION:** Customer certifies that he/she has purchased and installed the measure(s) listed on this Application at the defined location and, if applicable, the measure(s) has been installed by a licensed contractor. Customer agrees that all information is true and that he/she has conformed to all Program and equipment, material and/or product requirements listed.

**FORWARD CAPACITY MARKET AND CLASS III CREDITS:** By signing this document and as a condition to receiving a rebate pursuant to the Home Energy Solutions program, Customer hereby assigns to its Participating Utility, either Eversource or UI (as the case may be), any and all payments, benefits and/or credits in connection with the Forward Capacity Market or any currently existing or successor or replacement markets, (including, but not limited to, any and all "LICAP", "ICAP", transitional credits or payments or any and all other capacity-related credits, payments and/or benefits for which Customer is eligible) and that are associated with or applicable to Customer's participation in the Home Energy Solutions Program. Customer hereby assigns to either Eversource or UI (as the case may be) all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits and shall take any and all action, including executing and delivering any and all documents and/or instruments, as requested by either Eversource or UI (as the case may be) to evidence the same. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process. In accordance with the Department of Public Utility Control's ("DPUC", now known as the Public Utilities Regulatory Authority or "Authority") September 29, 2008, decision in Docket No. 05-07-19RE01, DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard (Class III) – 2007 Revisions, (as supplemented by the Department February 11, 2010, decision in Docket No. 05-07-19RE02), Customer is not eligible to receive or retain any Class III renewable energy credits in connection with the Home Energy Solutions Program and customer hereby acknowledges and agrees to the same. Customer further acknowledges and agrees that such credits shall be retained by either Eversource or UI (as the case may be) for the benefit of their respective customers through Energize CT. In the event that the Authority amends or modifies the allocation of Class III conservation credits as reflected in its September 29, 2008, decision, then the allocation of such credits utilized by either Eversource or UI (as the case may be) shall be the allocation in effect (per the applicable Authority decision) on the date that the customer submitted its Rebate Application documents to either Eversource or UI (as the case may be). Customer further acknowledges and agrees that customer shall not retain or receive any environmental credits or benefits that may be ascribed or attributed from time to time to Customer's participation in the Home Energy Solutions Program and any and all such benefits or credits shall be retained by either Eversource or UI (as the case may be) for the benefit of their respective customers through Energize CT.
