Public Comments
Steve Cowell, E4TheFuture - Mr. Cowell commented on the recent federal court ruling regarding the C&LM fund. He said he believed that the effort from advocates to influence the outcome of the court ruling made a big difference in changing opinions in the state, because the advocates were able to highlight the benefits of energy efficiency. He noted that the advocates’ efforts played a large role in Governor Lamont pledging not to divert C&LM funds to other purposes.

Introduction of new Executive Secretary
Mr. Beup welcomed Linda King, the new Executive Secretary. Ms. King thanked the Board for the opportunity to serve. She said she was looking forward to learning about Connecticut’s energy efficiency programs.

Programs and Planning

C&I Focus Area
Mr. Lawrence provided a presentation. Mr. Beup thanked Mr. Lawrence for the presentation, and said it was very informative.

Covid-19 Response Update
Mr. Araujo provided a presentation on return to work guidelines. He also provided an update on Company changes to personal protection equipment (PPE) requirements for contractors, and other H&S guidelines. There was no Board discussion following the presentation.

2021 Plan Update
Mr. Reed, Mr. Lawrence, Mr. Faesy, and Mr. Bruno provided a presentation. Mr. Brown noted that he would like to help with outreach to manufacturers.

Energize CT Website Strategy Project
Ms. Conrad, with Mile 7, provide a presentation. Ms. Mattson noted that the last web strategy was created eight years ago, so it was time to create a new web strategy. Ms. McLean asked about how web users could locate sources of funding/incentives that are outside of C&LM funding. Ms. Mattson said that the structure of the website would allow that. Ms. Mattson said the main overall change to the website design would be changing the focus from who the user is, to what the user is looking for and what stage the user is at with exploring an energy efficiency project. Ms. Nichols said that the Mile 7 team had done a great job. She said she would be participating with the Mile 7 team on the RFP process. Ms. McLean thanked Mile 7 for its work on the web strategy.

Operation Fuel Overview
This topic was not covered at this meeting. It was agreed that it would be covered at the August Board meeting.
Summary of June 30 Company Conditions of Approval for 2020 Plan Update filing
Mr. Bruno provided a brief overview of the Compliance filings that were submitted by the Companies on July 1. There was no Board discussion following the overview.

Court ruling on use of C&LM funds
Ms. McLean noted Mr. Cowell’s earlier public comments regarding CT advocates, in particular that Governor Lamont had pledged not to divert C&LM funds to other purposes.

Other

Mr. Riddle announced that he would be leaving Avangrid for another position outside of the utility industry. He said this would be his last Board meeting. He thanked the Board for the opportunity to participate in his role. Ms. Murphy said that Joel Kopylec at Avangrid would replace Mr. Riddle as the SCG/CNG representative on the EEB. She also said that Larry Rush would take over as the Avangrid representative on the Residential Committee.

Mr. Diamond noted that this was his last EEB meeting, and that Linda King would be taking over as Executive Secretary on August 1. He thanked the Board for the opportunity to serve.

Closing Public Comments

None.

The meeting adjourned at 3:27 pm.
