TERMS AND CONDITIONS

Applicant understands that all funding for rebates under this program derives from the Energy Efficiency Fund which is managed, in part, by Participating Utilities and funded, in part, by their customers. Neither Participating Utility guarantees the availability of funding for this program and neither is responsible for any costs or damages incurred by applicant if funding for this program or the Energy Efficiency Fund is reduced or eliminated by the State of Connecticut, the Public Utilities Regulatory Authority, Department of Energy and Environmental Protection or other State of Connecticut action.

Rebates are subject to funding availability and are subject to change at any time without notice.

REBATE OFFER: The rebate is for qualifying commercial clothes washer equipment ("Equipment") purchased and installed on or after January 1, 2018, through December 31, 2018. Rebate levels are subject to change or cancellation without prior notice. **This application form ("Application") and required documentation must be received no later than January 31, 2019.** Completed and signed Applications or a letter of intent must be submitted within 30 days of the Equipment installation to be eligible for rebates.

MAXIMUM PAYMENT: The utilities reserve the right to cap rebate amounts. Contact your Participating Utility representative or the appropriate utility company's program administrator for details.

ELIGIBILITY: Natural gas rebates are available to industrial and commercial customers of The Connecticut Light and Power Company and Yankee Gas Services Company both dba Eversource Energy ("Eversource"), United Illuminating ("UI"), the Connecticut Natural Gas Corporation ("CNG"), The Southern Connecticut Gas Company ("SCG"), ("Participating Utilities") who are on firm gas rates.

PROOF OF PURCHASE: An installation invoice itemizing the purchased Equipment must accompany this rebate Application form and **must indicate the date of purchase, cost, Equipment type, size, make and model of the equipment.**

APPLICATION FORM: This Application must be filled out completely, truthfully, and accurately. The customer or its authorized representative must sign, date, and submit this Application along with the installation invoice (as outlined under **Proof of Purchase**), the specification sheet (manufacturer's equipment performance sheet stating the energy efficiency) and an IRS Form W9.

PAYMENT: Please allow at least 30 days for payment. Payment process may take longer if information is missing on Application. **REBATES WILL ONLY BE PAID TO ACCOUNT HOLDER/CUSTOMERS.**

APPROVAL AND VERIFICATION: Your Participating Utility reserves the right to verify sales transactions and to have reasonable access to your facility to inspect the Equipment installed prior to or after issuing rebates.

ENDORSEMENT: Your Participating Utility does not endorse any particular manufacturer, contractor, product, or system design in promoting this initiative.

TAX LIABILITY: Your Participating Utility is not responsible for any tax liability that may be imposed on the customer or contractor as a result of the payment of rebates. All customers must include their Federal Tax Identification Number or Social Security Number (IRS Form W9) as part of this Application to receive a rebate.

WARRANTIES: YOUR PARTICIPATING UTILITY DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. The Participating Utility makes no warranties or representation of any kind, whether statutory, expressed or implied, including, without limitations, warranties, of merchantability, or fitness for particular purpose regarding Equipment or services provided by a manufacturer or vendor. Contact your contractor or Equipment manufacturer regarding Equipment performance and warranties. The Utilities do not warranty the performance of the energy efficiency measures, and do not guarantee that the listed measures will result in energy and/or cost savings.

LIMITATIONS OF LIABILITY: The liability of your Participating Utility is limited to paying the rebate specified. **The participating utilities do not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and cost savings. No warranties on product or service installations are provided by the participating utilities, nor do they guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program.** The Participating Utility shall not be liable for any damages arising out of or resulting from participation in this rebate offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages.

SPECIFIC REQUIREMENTS: The Participating Utility reserves the right to modify payment options and restrict the amount of the rebate available for facilities using self-generation for non-emergency purposes.

CUSTOMER'S CERTIFICATION: Customer certifies that he/she has purchased and installed the Equipment listed at the service address indicated on the front of this form. Customer agrees that all information on this Application is true and conforms to all Equipment eligibility requirements and these terms and conditions. Customer has verified that the Equipment has been installed correctly. There are no unusual noises or vibrations and all controls have been calibrated. Customer or customer's representative has been instructed on how to operate and maintain this Equipment and has received all the necessary operation and maintenance manuals.

FORWARD CAPACITY MARKET AND CLASS III CREDITS:

ISO-NE CAPACITY PAYMENTS: By signing this document, and as a condition to receiving a rebate pursuant to this program, the customer acknowledges and agrees that any and all payments, benefits and/or credits associated with or applicable to the customer's participation in the program that is the subject of this Agreement in connection with the ISO New England, Inc. Forward Capacity Market ("FCM") or any existing, successor or replacement markets, (including, but not limited to, any and all transitional FCM credits or payments or any and all other capacity-related credits, payments and/or benefits for which such customer is eligible) shall be deemed as and form capacity payments, credits and/or benefits of The Connecticut Light and Power Company, doing business as Eversource Energy (Eversource), or The United Illuminating Company (UI), as applicable. The customer hereby assigns to Eversource or UI, as applicable, all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits, and agrees to take any and all action, including executing and delivering any and all documentation and/or instruments, as requested by Eversource or UI, as applicable, to evidence the same. FCM means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the FCM, or any successor or replacement market/capacity procurement process.

CLASS III CONSERVATION CREDITS: Any Class III renewable energy credits and/or conservation credits received in connection with this program shall be retained by the Companies pursuant to the laws of the State of Connecticut and/or applicable PURA decision in effect as of the date hereof.
