TERMS AND CONDITIONS

Applicant understands that all funding for rebates under this program derives from the Energy Efficiency Fund which is managed, in part, by Participating Utilities and funded, in part, by their customers. Neither Participating Utility guarantees the availability of funding for this program and neither is responsible for any costs or damages incurred by applicant if funding for this program or the Energy Efficiency Fund is reduced or eliminated by the State of Connecticut, the Public Utilities Regulatory Authority or other State of Connecticut action.

Rebates are subject to funding availability and are subject to change at any time without notice.

REBATE OFFER: This rebate is for qualifying natural gas water heating equipment ("Equipment") purchased and installed on or after January 1, 2018, through December 31, 2018. Rebate levels are subject to change or cancellation without prior notice. **This application form ("Application") and supporting documentation must be received no later than January 31, 2019.** Completed and signed Application or a letter of intent must be submitted within 30 days of the Equipment installation to be eligible for rebates.

MAXIMUM PAYMENT: The Participating Utilities reserve the right to cap rebate amounts. Contact your Participating Utility representative or the appropriate utility company's program administrator for details.

ELIGIBILITY: Rebates are available to industrial and commercial service customers of the Connecticut Natural Gas Corporation ("CNG"), The Southern Connecticut Gas Company ("SCG") or Yankee Gas Services Company dba Eversource Energy ("Eversource"), who have a commercial rate code on their service.

PROOF OF PURCHASE: An installation invoice itemizing the purchased Equipment must accompany each rebate Application form and **must indicate the date of purchase, cost, equipment type, size, make and model of the system(s).**

APPLICATION FORM: This Application must be filled out completely, truthfully, and accurately. The customer or its authorized representative must sign, date, and submit this Application along with the installation invoice (as outlined under Proof of Purchase), the manufacturer's or AHRI specification sheet (manufacturer's equipment performance sheet stating the normal capacity in BTU/hour and/or rated efficiency), and an IRS W9 Form or Employer Tax Identification Number.

PAYMENT: Please allow at least 30 days for payment. Payment process may take longer if information is missing on Application. **REBATES WILL ONLY BE PAID TO ACCOUNT HOLDER/CUSTOMERS.**

APPROVAL AND VERIFICATION: **Pre-approval from your Participating Utility will be required if the rebate total is greater than \$5,000.** Your Participating Utility reserves the right to verify sales transactions and to have reasonable access to your facility to inspect the Equipment installed prior to or after issuing rebates.

ENDORSEMENT: Your Participating Utility does not endorse any particular manufacturer, product, or system design in promoting this initiative.

TAX LIABILITY: Your Participating Utility is not responsible for any tax liability that may be imposed on the customer or contractor as a result of the payment of rebates. All customers must include their Federal Tax Identification Number or Social Security Number (IRS Form W9) as part of this Application to receive a rebate.

SPECIFIC REQUIREMENTS: The Participating Utility reserves the right to modify payment options and restrict the amount of the rebate available for facilities using self-generation for non-emergency purposes.

WARRANTIES: YOUR PARTICIPATING UTILITY DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. The Participating Utility makes no warranties or representation of any kind, whether statutory, expressed or implied, including, without limitations, warranties of merchantability, or fitness for particular purpose regarding Equipment or services provided by a manufacturer or vendor. Contact your contractor regarding Equipment performance and warranties.

LIMITATIONS OF LIABILITY: Your Participating Utility's liability is limited to paying the rebate specified. Participating gas utilities are not liable for any damages arising out of or resulting from participation in this rebate offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program.

CUSTOMER'S CERTIFICATION: Customer certifies that he/she has purchased and installed the Equipment listed above at the service address. Customer agrees that all information in this rebate Application is true and conforms to all Equipment eligibility requirements and these terms and conditions. Customer has verified that the units listed above have been installed correctly. There are no unusual noises or vibrations and all controls have been calibrated. Customer or customer's representative has been instructed on how to operate and maintain this Equipment and has received all the necessary operation and maintenance manuals.
