

FREE FAMILY ACTIVITY: WATER ENERGY

Continue on the journey towards becoming a “Clean Energy Champion” this summer and learn about our Earth’s renewable energies during the Energize Connecticut Center’s Summer Series.

On Friday, August 18th join us along with Project WET and the Regional Water Authority on an excursion as we discover how water travels through our natural habitats and water’s energy through fun, hands-on activities.

Families will have the opportunity to explore the local wetlands, make their own water wheel, and have fun with our interactive water discovery.

Light refreshments will be served.

Friday

August 18, 2017

***Energize Connecticut
Center***

***122 Universal Drive
North***

(located in Target Plaza next to
Panera)

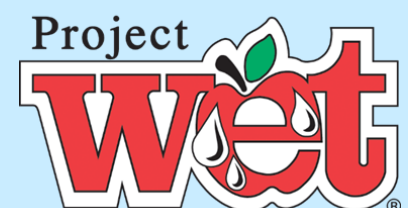

North Haven, CT 06473

2:00 p.m. — 4:00 p.m.
