

Instant Rebates!

Save up to \$4,500 per unit on commercial foodservice equipment

With the Energize Connecticut Commercial Foodservice Equipment Rebate Program, you can save on energy-efficient equipment for your business. Choose from a variety of qualifying products and save up to \$4,500 on each item.

It's easy—here's how.

1. Find a participating dealer.
2. Choose a qualified product.
3. Receive an instant rebate on your qualified equipment!

You must be an active commercial customer of Eversource, CNG, SCG, or UI.

Keep Saving with High Efficiency Equipment

Major cooking appliances account for almost 35 percent of the average restaurant's energy costs. High-efficiency equipment uses less natural gas, electricity, and water and can decrease those costs by as much as 75 percent compared to standard equipment.

Qualifying Foodservice Equipment

For a full list of eligible energy-efficient natural gas and electric foodservice equipment, visit energystar.gov/productfinder or fishnick.com/saveenergy/rebates.
