

2016 RESIDENTIAL

QUALITY INSTALLATION AND VERIFICATION REBATE FOR EXISTING HOMES

Valid for all Eversource Energy ("Eversource") and The United Illuminating Company (in the case of AC/HP) or Connecticut Natural Gas Company or Southern Connecticut Gas Company (in the case of natural gas furnaces) residential service customers ("Customers"). This 2016 Residential Quality Installation and Verification Rebate for Existing Homes Program ("Program") covers eligible system(s) ("System") installed by a QIV utility-approved contractor that must be chosen from the website directory on or after January 1, 2016 through December 31, 2016. To find a QIV utility-approved contractor, please visit www.eversource.com or www.uinet.com. While a Home Energy Solutions (HES) assessment is not a requirement of this rebate, the HES assessment is recommended prior to the installation of new cooling and/or heating equipment to ensure your home is as energy efficient as possible. To find out more information about HES or to schedule an HES assessment, please call 877-WISE-USE (877-947-3873). This 2016 Residential Quality Installation and Verification Rebate for Existing Homes application form ("Application") must be postmarked by January 31, 2017.

INSTRUCTIONS: Please fill out this Application completely, truthfully and accurately, make a copy for your records and mail it along with a copy of your recent applicable electric and/or natural gas utility bill and all contractor provided documents to:

Roltay, Inc. Energy Services, 98 Overbrook Road, Madison, CT 06443

ELIGIBILITY: Rebates are available to all Connecticut Light & Power Company doing business as Eversource Energy, hereinafter referred to as Eversource, The United Illuminating Company (in the case of AC/HP), Connecticut Natural Gas Corporation, Southern Connecticut Gas Company or Yankee Gas Services Company doing business as Eversource Energy (in the case of natural gas furnaces), hereinafter referred to as Eversource, residential customers ("Customer"). New home applicants are encouraged to participate in the Energy Efficiency Fund Residential New Construction program.

APPLICATION OFFER: The 2016 Residential Quality Installation and Verification Rebate for Existing Homes ("Program") covers eligible measure(s) System(s) purchased and installed by a QIV utility-approved contractor that must be chosen from the utility website directory on or after January 1, 2016 through December 31, 2016. Details of this Program, including rebate levels, are subject to change or cancellation without prior notice. **This Application, with required documentation, must be postmarked by January 31, 2017. Funding for this rebate Program is limited to the period indicated or while funds last.** If you have any questions about this Program or the rebate offer dates of eligibility, please call 1-877-WISE-USE (877-947-3873) for more information. The rebate amount is \$500 per System on replaced or new high efficiency qualified AC/HP and/or \$100 per System on replaced or new warm air natural gas furnaces paid to the home owner. Offer is not applicable for emergency replacements.

EQUIPMENT REQUIREMENTS DUCTED CENTRAL AIR CONDITIONING OR HEAT PUMPS: When multiple sections are installed simultaneously, a matched assembly shall include the air handler, furnace, coil or other component that is used to determine the rating according to ARI/ISO/ASHRAE 13256-1/2 or ARI 370 published current standards. All Equipment must be ENERGY STAR® certified and meet current Energy Efficiency Fund rebate efficiency requirements which may be found listed at: www.ahridirectory.org. or www.energystar.gov.

EQUIPMENT REQUIREMENTS NATURAL GAS WARM AIR FURNACES: Equipment must be ENERGY STAR with a AFUE¹ greater than or equal to 95% and ECM motor (both measure with applicable eligible efficiency levels must be made to qualify for rebate). A list may be found on www.energystar.gov

QUALIFYING CENTRAL AIR CONDITIONING, HEAT PUMP AND NATURAL GAS WARM AIR FURNACES: Central AC/HP systems and natural gas warm air furnaces installed through the QIV program must also meet traditional Energize CT rebate requirements. Energize CT equipment rebate forms can be found on www.EnergizeCT.com and on UI and Eversource's websites. The QIV rebate is additional to Energize CT traditional equipment rebates.

PROOF OF PURCHASE: This completed Application must be submitted along with a copy of your recent applicable electric and/or natural gas utility bill as well as any contractor provided documents.

APPLICATION: This Application must be filled out completely, truthfully and accurately and it must be submitted along with the required documents listed under **PROOF OF PURCHASE** above.

PAYMENT: Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Application or follow up is needed.

APPROVAL AND VERIFICATION: Eversource and UI reserve the right to verify sales transaction and to have reasonable access to your residence to inspect the Equipment installed under this Program prior to issuing rebates for up to one year after date of Application.

TAX LIABILITY: Eversource and UI will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of rebates.

ENDORSEMENT: Eversource and UI do not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this Program.

LIMITATION OF LIABILITY: Eversource's and UI's liability is limited to paying the rebates specified. Eversource and UI are not liable for any damages arising out of or resulting from participation in this rebate offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program.

OWNER'S CERTIFICATION: Owner certifies that he/she has purchased the Equipment listed on the other side of this Application and the Equipment was installed by a licensed contractor at the defined location and that installation verification contractor is QIV Program approved. Owner agrees that all information is true and that he/she has conformed to all Program and Equipment requirements listed.

WARRANTIES: EVERSOURCE AND UI DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. Eversource and UI makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the Equipment or services provided by a manufacturer, contractor or vendor. Contact your contractor for details regarding Equipment performance and warranties.

FORWARD CAPACITY MARKET AND CLASS III CREDITS:

ISO-NE CAPACITY PAYMENTS: By signing this document, and as a condition to receiving a rebate pursuant to this program, the customer acknowledges and agrees that any and all payments, benefits and/or credits associated with or applicable to the customer's participation in the program that is the subject of this Agreement in connection with the ISO New England, Inc. Forward Capacity Market ("FCM") or any existing, successor or replacement markets, (including, but not limited to, any and all transitional FCM credits or payments or any and all other capacity-related credits, payments and/or benefits for which such customer is eligible) shall be deemed as and form capacity payments, credits and/or benefits of The Connecticut Light and Power Company, doing business as Eversource Energy (Eversource), or The United Illuminating Company (UI), as applicable. The customer hereby assigns to Eversource or UI, as applicable, all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits, and agrees to take any and all action, including executing and delivering any and all documentation and/or instruments, as requested by Eversource or UI, as applicable, to evidence the same. FCM means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the FCM, or any successor or replacement market/capacity procurement process.

CLASS III CONSERVATION CREDITS: Any Class III renewable energy credits and/or conservation credits received in connection with this program shall be retained by the Companies pursuant to the laws of the State of Connecticut and/or applicable PURA decision in effect as of the date hereof.
