

WITH SMART-E, HOME ENERGY IMPROVEMENT IS CHILD'S PLAY.

NO MONEY DOWN & LONG TERM,
LOW INTEREST FINANCING

Smart-E Customer Checklist

- Get pre-approved with a participating community lender
<http://www.energizect.com/residents/programs/smart-e>
 - You will apply directly with the lender for a Smart-E loan.

- Find a Contractor to make your energy improvements
<http://www.energizect.com/residents/find-a-professional>
 - Your contractor will work EnergizeCT staff on Smart-E loan technical approvals on your behalf. If your contractor is not Smart-E eligible, have them contact us at smart-e@ctcleanenergy.com to get trained
 - Decide what work you would like to finance
<http://www.energizect.com/smart-e>
 - Your contractor will work with you to be sure the improvements meet eligibility requirements

- E-sign the paperwork for technical approval provided by your contractor
 - Your contractor will work with EnergizeCT staff to get your project approved and the lender will notify you to close the loan.

- Close your loan with your lender when they contact you to schedule a closing.
 - Work will begin on your energy project with your contractor.
 - Sit back and enjoy the comfort, savings and value it provides.

- Sign final completion paperwork as instructed by your contractor.
 - Your contractor will submit the final paperwork to EnergizeCT

Your lender will contact you to arrange final payments to your contractor.
